At AFES we are committed to creating a school that will:
Achieve and Foster Educational Success
"Be Safe, Be Responsible, Be Respectful, Be Cooperative"

September 20, 2013

Dear Parents and Guardians;

The school year continues to be off to a fantastic start! Many thanks to those of you who attended our campus orientation night and parent forum this past Tuesday. As discussed in the forums, hopefully you are as excited as we are to be strengthening the six exceptional school systems that support great achievement! To that end I would like to share with you the Staff/Faculty, Student, and Parent pledges that collaboratively we have developed this year:

AFES Family Pledge

We, as parents and families of the students at AFES, are 100% committed to being active participants in our child's education. Our family will provide the environment needed to ensure excellence in education. We will make sure our children are rested, nourished, prepared and on time each day, without excuse. The support we provide our children will be steadfast and unwavering.

AFES Student Pledge

We, as students at AFES, believe in the brightness of our future.

We commit to:

- Improving our academic skills by paying attention, working hard, and completing and turning in homework
- Coming to school every day on time unless we are ill
- Following the four B's and developing our character

At AFES we believe that we have the power to make college part of our future.

The AFES Staff and Faculty Pledge

At Au Sable Forks Elementary School we are committed to creating a school that will:

Achieve and Foster Educational Success

Every student on our campus, without exception and without excuse, will be proficient or advanced in reading, writing, and math.

You will have the opportunity to sign the parent pledge when you visit the school.

Reminder: If you drive your child to school or they walk, please make sure they arrive between 7:30 and 7:45. If they arrive after 7:45 they will be marked tardy.

Thanks and have a great weekend!

Mrs. Mason, Principal
