During the COVID-19 school closure, the AuSable Valley Central School District is committed to providing free, nutritious meals to students who need our support. We anticipate beginning home based distribution on Monday, March 23rd.

If you wish to request meals during our extended closure, please e-mail us at lunch@avcsk12.org. If you do not have access to e-mail, please call 518-834-2805.

In order to assemble the baskets correctly, we need to know the following information:

- How many students are in your household?
- Are there any food allergies for the children?
- What is the exact physical address of your home?
- Where is a safe place that the food can be “dropped off” so that we can follow the recommended social distancing recommendations?

Currently, the plan is for buses to deliver the meals on Monday and Thursday; between the hours of 10am--1pm. Each delivery will include food for lunch and breakfast to last through the next delivery. ****This plan is subject to change as the local situation changes.****

Please share this information with any AVCS family that is affected by the closure. Thank you.
