September 1, 2020

Dear Parents/Guardians,

As part of Federal Title I requirements, all School Districts must invite parents of participating children to a meeting to inform the parents of the District's participation and their right to be involved. The Building Administrators will be sending letters home to the parents of identified children inviting the parent to a one-on-one meeting regarding their student's performance. In addition, the School District will be holding Teacher Conferences for all Parents on November 23rd and 24th, 2020 via remote technology practices to ensure COVID 19 safe practices. All parents are encouraged to attend.

The School District is also required to employ teachers who are highly qualified. This means that your child's teacher must have a bachelor's degree and be fully certified by the State of New York. Also, your child's Teacher must pass state mandated tests or meet comparable requirements for grades and subjects they are teaching. At this time, all of our classroom teachers meet the preceding qualifications.

Sincerely,

A handwritten signature in cursive that reads "Paul D. Savage II".

Paul D. Savage, II  
Superintendent
