Pre-K Student Transportation:

- The Au Sable Valley Central School will be providing bus transportation, to and from school, for students who are 4 years old at the start of school.
- Students who live in remote areas may have to meet a bus at a designated pick up/drop off area.
- *The bus WILL NOT drop off a Pre-K student unless the bus driver can see an adult.* If you want an older sibling to take responsibility for your child then we will need a signed note indicating who will be home and who will be responsible for your child.
- Please have your child ready for the bus in the morning.
- If your child is going to an alternative drop off site, please write a bus note and have your child bring it to school.
- If you must call during the day for an alternative bus drop off, please call the main office no later than 1:00 PM.
- If you live in a remote area and your child will not be riding the bus on any given day, please call the bus garage at (518) 834-2851 by 7:15 AM to let them know your child will not be riding the bus to school.
