MUSIC IN OUR SCHOOLS MONTH® 

BAND: The concert band, wind ensemble, and jazz band are working hard in each rehearsal to prepare pieces for our Spring Concert! Some things to look forward to: a fun prehistoric dinosaur suite in concert band, a VERY popular 80's tune in wind ensemble, and some jazzy throwbacks in jazz band!

GENERAL MUSIC 8

Miss Benware's General Music 8 is currently working on creating their own music videos to show how music can be a communicative tool to convey messages through music videos.

Mrs. LaDuke has 2 General Music 8 classes. The first class is just finishing up a project using SoundTrap to create jingles for products they created and marketed themselves. The second class is finishing their Little People, Big Dreams project. They have researched an artist of their choice and are creating a digital childrens' book about that artist!

CHORUS: Valley Voices recently submitted a performance video to compete in the International Competition of HS A Cappella! We find out Saturday, March 5th if we make it to the finals! If the finals are in our future, we will be traveling to NYC for the in-person competition on April 22nd!

Both MS Chorus and Concert Choir are preparing for the Spring Concert with some amazing pieces! Some things to look forward to: MS Chorus singing in Japanese, Concert Choir performing a beautiful Irish folk song, and Valley Voices singing some good ol' favorites!
