Survivor Tournament

At the Billy Mitchell Memorial Fast Pitch Softball Field

Church Ln. Au Sable Forks, NY 12912

This year we will be doing the first Cornhole Survivor tournament. Each round you will be matched up against an opposing team with a similar win/loss record. If you lose you get a strike. Three (3) strikes and you are out of the tournament. Last team standing wins!

All games will be played using the 21-point cancelation scoring format. We will be following ACL rules and regulations. You may use your own bags; however, they must be ACL approved. Tournament starts at 12:00 and entry is \$60.00 per team. Payouts will be determined based on the number of entries.

Food and non-alcoholic drinks will be available for purchase at the field.

There is plenty of room at the field, so bring your own sets of boards to play while you wait on your next match.

Please pre-register early by texting Randy Douglas @ 518-569-3582, emailing at randydouglas12@gmail.com, or sign up in the Scoreholio App (please note that the tournament will be listed as a double elimination format in the app)
