

SportsYou 2022-2023 Seasons

Dear Parents/Guardians of Student-Athletes:

Over the last year, we have adopted an app called SportsYou as our primary method of communication with our sports teams. This app was designed specifically for sports teams as a safe and controlled method of communication between coaches, athletes, and parents/guardians.

Because of the success of it in the last school year, we have decided to make SportsYou our primary method of communication with all sports teams for the 2022-2023 school year and the seasons within it. It is important that parents, student-athletes and coaches use this app over text messages, facebook , etc. This app is a safer way of communicating and will be the primary way that I will be communicating with everyone in terms of schedules, important messages, etc.

SportsYou allows members to view a calendar of their season, allows coaches and admins (Kevin Hulbert, Patty Vondell, Hannah Greenley, Tracy Tender) to post updates on games/practice/bus times and more, and it provides a safe platform for parents and athletes to reach out with any last-minute questions or concerns.

To use the app:

- ★ Download SportsYou from your smartphone's app store (it may also be accessed through your internet browser)
- ★ Create an account and select your team role (coach, player, family)
- ★ Use your specific team code to join your team!

Coaches will be providing student athletes with a specific team code, and more information about the app and how to use it.

We are hopeful that SportsYou will prove to be an easy and safe way to keep in touch with your team!

Hannah Greenley is the "SportsYou Master" so please email her or call her with questions. Hannah Greenley: greenley.hannah@avcsk12.org 518-834-2800 ext. 3112
