

Using rSchool (game schedules)

How to see your team's schedule:

1. Go to avcs.org
2. Scroll down under "Athletics" and click on "Sports Schedule"
3. On the right choose your function, to see schedule you just click on "view schedule"
4. Check which sport/level schedule you want to see
5. See schedule and you can print the schedule by clicking print in the right hand corner

How to be notified of any game schedule changes:

1. Do steps 1 and 2 above.
2. On the right choose your function, to be notified choose "notify me"
3. Make an account (right hand side) by including your email and making a password
4. Once account is made, click the sports/levels you want to be notified in
